

At Chroma Design, we search for a unique landscape expression for each garden that will seamlessly fit into the particular surroundings. We understand that the best gardens need to be both beautiful and useful while possessing a character that will charm visitors and delight owners throughout the seasons. Our choice of materials often represents a balance between native and ornamental plantings combined with carefully crafted garden elements, paving, and furnishings.

Chroma Design offers personalized services in

- Public destination and themed gardens
- Private residential gardens
- Native and xeriscape gardens
